

# Dr. Sreelatha Sadasivan, MDS

- ✓ **Consultant – Oral & Maxillofacial Surgery, FMS Dental, Hyderabad**
- ✓ **Senior Lecturer – Dept. of Oral & Maxillofacial Surgery, Sri Sai College of Dental Surgery, Vikarabad**

## Executive Profile

Dr. Sreelatha Sadasivan is a skilled Oral and Maxillofacial Surgeon with over five years of focused surgical experience and an extensive background in general dentistry. She brings a strong blend of clinical expertise, academic involvement, and multidisciplinary exposure to the management of complex maxillofacial conditions.

Currently serving as a Consultant Maxillofacial Surgeon at FMS Dental and as an Assistant Professor in Oral and Maxillofacial Surgery, she is actively engaged in advanced surgical care, teaching, and academic development.

Her clinical expertise spans facial trauma management, implantology, minor and major oral surgical procedures, and temporomandibular joint (TMJ) disorders. Trained across reputed tertiary care and specialty centers, Dr. Sreelatha has gained hands-on experience in emergency trauma care, oncologic surgery, and reconstructive procedures. Her approach is rooted in evidence-based protocols, surgical precision, and patient-centered care, ensuring optimal functional and aesthetic outcomes.

## Academic Qualifications

- ✓ **Master of Dental Surgery (MDS) – Oral & Maxillofacial Surgery**  
KMCT Dental College, Kerala University of Health Sciences (2017–2020)
