

Dr. Venkata Naga Vamseekrishna Kanduri, MDS, MPH

- ✓ **Senior Consultant – Endodontics & Restorative Dentistry, FMS Dental**
- ✓ **Assistant Professor – Conservative Dentistry & Endodontics, Sri Sai College of Dental Surgery (SSCDS), Vikarabad**

Executive Profile

Dr. Vamseekrishna Kanduri is a distinguished Endodontist, academician and public health professional with over five years of clinical experience in dentistry. With dual expertise in Conservative Dentistry & Endodontics and Public Health, he brings a unique, holistic perspective to patient care—combining advanced clinical precision with a strong foundation in preventive and community-oriented healthcare.

He is particularly passionate about delivering pain-free endodontic treatments, with specialized expertise in complex procedures such as microscopic endodontics, surgical endodontics, and retreatment cases. His clinical approach is rooted in evidence-based protocols, ensuring predictable outcomes while prioritizing patient comfort and long-term tooth preservation.

In addition to his clinical practice, Dr. Vamseekrishna is actively involved in academic teaching and research, contributing extensively to scientific literature and mentoring the next generation of dental professionals.

Academic Qualifications

- ✓ **Master of Dental Surgery (MDS)** – Conservative Dentistry & Endodontics
Maharishi Markandeshwar University (2023)
